The products have a positive opinion
**The Polish Military Institute
of Armament Technology.**

GNP DEFEND is an American-owned company dedicated to providing cutting-edge firearm care solutions for peak performance and reliability. Our advanced formulas deliver superior lubrication, deep-cleaning action, and precision maintenance to keep firearms operating at their best.

Trusted by professionals, enthusiasts, and law enforcement, our products are NATO APPROVED and have undergone rigorous military testing on eight different firearms with 10,000 rounds fired under extreme conditions of use and weather. We not only met but surpassed the standards, ensuring unmatched durability and performance. GNP Defend is committed to protecting and enhancing every shot with top-tier innovation and quality.
