As the industry's premier event for shooting sports, hunting, law enforcement, and tactical gear, SHOT Show brings together more than 2,500 exhibitors and tens of thousands of professional buyers from around the globe.

Microtech® Knives will proudly showcase its latest cutting-edge designs and innovations at booth #13663, featuring new models and evolutions of the tools that knife enthusiasts, collectors, and professionals have come to trust.

"SHOT Show is where innovation meets opportunity—a fantastic place to connect, collaborate, and share ideas with both new and familiar faces," said Anthony Marfione, Founder of Microtech® Knives.

Attendees can experience hands-on demonstrations and get an exclusive first look at Microtech®'s 2026 releases. The Microtech® team will be available throughout the event to discuss partnerships and product solutions tailored for dealers, retailers, and agencies seeking reliable, high-performance cutting tools.

For more information about Microtech® Knives and its participation in the 2026 SHOT Show, visit microtechknives.com or connect with the team onsite at booth #13663.

The SHOT Show is owned by NSSF®— the Firearm Industry Trade Association, and is restricted to the shooting, hunting, and outdoor trade professionals and commercial buyers and sellers of military, law enforcement, and tactical products and services ONLY. The SHOT Show is not open to the general consuming public (e.g., private visitors, hunters, sport shooters, members of hunting and sports shooting clubs, etc.) Proof of professional affiliation is required.
