

7.62 Design is a military/ patriotic apparel company that's been outfitting those with pride in America and our military for nearly 30 years. Our goal is to support the military, first responder, and patriot communities by providing the best products available at the lowest price possible. We are constantly striving to bring you our best new designs.

Come have a look at our "250th Anniversary" line of tee's. Or maybe our new line of "File 13" tee's will pique your interest. You'll also be able to check out some of our new Hoodies as we increase the variety for each branch. Whether it's old or new you'll see that 7.62 Design is synonymous with quality and patriotism.
