

SAFE STUDENT
FOUNDATION

Responsibility doesn't stop at the range.

Help protect our children, teachers and communities that gun owners care about.

Gun owners get blamed for a lot.
But *you* know the truth: responsible gun owners save lives.

By supporting the Safe Student Foundation, you help bring real safety training into schools—programs and infrastructure that prevent violence, strengthen mental-health awareness, empower educators, and keep our kids, grandkids and neighbors safer every single day.

You already stand for safety.
Now stand for school safety, too.

Donate.
Partner.
Make an impact.

Visit us at booth **#44129**
to get started.
