SHOOTING ENTHUSIASTS

As real as it gets...

**LIVE FIRE EXPERIENCE,
WITHOUT THE LIVE FIRE RANGE™**

We are pleased to announce that following the recent lifting of certain ATF regulations, a select number of our civilian products are now available for purchase through Killough Shooting Sports (KSS). These products will not be available direct from UTM so please visit KSS at <https://www.killoughshooting sports.com> or call (325) 754-5771.

We appreciate your continued support and look forward to serving you through this expanded availability.
