### Richfire to Exhibit at the 2026 SHOT Show

Shenzhen Singpad Technology Company is proud to announce that its brand, Richfire, will be an official exhibitor at the 2026 SHOT Show, the world's leading trade event for the shooting sports, hunting, and outdoor industries.

Held annually in Las Vegas, Nevada, the SHOT Show brings together industry professionals, distributors, retailers, and media from across the globe. Exhibiting at the 2026 show marks an exciting milestone for Richfire as we continue to expand our global presence and showcase our commitment to innovation, performance, and reliability.

#### What Visitors Can Expect from Richfire

At the 2026 SHOT Show, Richfire will present:

Our latest product innovations and core solutions

New product launches and upcoming developments for 2026

Hands-on demonstrations highlighting quality and performance

Opportunities to connect directly with the Richfire team

Whether you are an existing partner or exploring new collaborations, we look forward to sharing how Richfire products are designed to meet the evolving needs of the global market.
