1791 Outdoor Lifestyle Group Introduces the Tac Leather Rifle Sling

Miami, FL - [1791 Outdoor Lifestyle Group](https://www.1791outdoor.com), a leading provider of premium leather holsters, EDC tool organizers, and associated outdoor and sporting goods, proudly announces their [Tac Leather Rifle Sling](#). As part of a growing line of tactical products, this sling is made for unmatched durability, comfort and style. The new Tac Leather Rifle Sling blends the rugged strength of tactical nylon with the timeless craftsmanship of 100% Certified American cowhide.

The use of leather combined with tactical nylon is functional as well as attractive. The leather is soft and breathable to provide lasting comfort, while the ballistic nylon core holds the sling's shape and prevents twisting. The Rapid Adjustable Slider allows for instantly changing the length as needed, and the Body Adjustment Point facilitates getting the sling to fit perfectly for better handling and reducing fatigue.

Tac Leather Rifle Slings are equipped with handmade leather fittings that ensure silent, durable operation. Finished with reinforced stitching and backed by a Lifetime Warranty, this sling blends the comfort and aesthetics of leather with the durable performance of tactical nylon.

The [Tac Leather Rifle Sling](#) is now available in black or brown with an MSRP of \$69.99. This sling and other new products, including the exciting new [1791 Industries](#) firearm accessories will be on display at the 2026 SHOT Show in Las Vegas at Booth 75207, January 20th – 23rd, 2026.

Note: QD Sling Points Not Included
