## **1791 Outdoor Lifestyle Group forms Strategic Partnership with Roni Corporation for Master U.S. Distribution**

Miami, FL - [1791 Outdoor Lifestyle Group](https://www.1791gunleather.com), a leading provider of premium leather holsters, EDC tool organizers, and associated outdoor and sporting goods, has announced a strategic partnership with the Roni Corporation of Houston, TX, where 1791 Outdoor Lifestyle Group will be the master distributor of Roni's pistol-to-carbine conversion kit and other firearm accessories, including the new Nano Roni.

The Roni Conversion kit is recognized worldwide as one of the most reliable and well-known pistol-to-carbine conversion kits ever developed, helping define a category through proven performance and continuous innovation. At the center company's product evolution is the Nano Roni. This is Roni's most compact and advanced conversion kit. The Nano Roni transforms a standard pistol into a compact, carbine-style platform for improved control, increased accuracy, and effective engagement at extended distances. It delivers a precise balance of compact size, reliability, and performance. Initial compatibility includes Glock 17, 19, 22, and 23. The new Nano Roni will be on display at the 1791 Outdoor Lifestyle Group exhibit at the 2026 SHOT Show.

Additional compatibility is coming soon, including Glock 43 and 48 platforms, as well as select models from SIG Sauer, Taurus, and Smith & Wesson (Shield Plus).

"1791 Outdoor Lifestyle Group is proud to partner with Roni Corporation as their master distributor in the United States, giving our customers direct access to the best-selling Micro Roni lineup and the new Nano Roni." said Alex Toussieh, COO of 1791. "This partnership lets us serve our customers with the innovation they expect and the support they deserve. By combining Roni's proven conversion kit with 1791's nationwide distribution, and responsive customer service, we make it easier for shooters and retailers to get the right setup from a single trusted source."

Marc Hinawi, CEO, Roni Corporation: “Roni Corporation is proud to partner with 1791 Outdoor Lifestyle Group as we introduce the new Nano Roni and prepare to launch additional products this year. With U.S.-based manufacturing, we are strengthening our commitment to consistent quality, reliable performance, and purpose-built solutions designed to meet the highest standards of the American market.”

1791 Outdoor Lifestyle Group will be showing the Roni Corporation line of products, and other new products, including the exciting new [1791 Industries](#) firearm accessories at the 2026 SHOT Show in Las Vegas at Booth 75207 in Caesars Forum, January 20th – 23rd, 2026.
