

Samson®

— STRENGTH THROUGH INNOVATION —

QUALITY GUARANTEED | MADE IN KEENE, NEW HAMPSHIRE, USA

Quality? No question. Now let's talk Style...

As we aim to enrich our Executive line of pens and wallets, our key inspiration remains our passion for firearms. The classic pairing of woodgrain and blackened steel is one of many aesthetics found in our gun safes.

When it comes to everyday carry, you likely didn't choose your gun because it matched your wallet — but what if you could choose a wallet that matched your gun?
