

# FFLs Save Up to \$10,000 in Software Credits During Orchid's Winter ONEderland Promotion

Orchid, the firearms industry's leading provider of FFL technology, compliance, and payments, today announced its **Winter ONEderland Promotion**, running from the 2026 Camfour Dealer Show (January 10–11) through the 2026 Sports Inc Outdoor Show (February 18–20). The promotion celebrates Orchid's position as the industry's only firm offering POS, eCommerce, FFL Bound Book, e4473, in-house 4473 electronic storage, 2A merchant processing, and compliance and legal services, eliminating costly third-party plugins.

Orchid is also introducing **Orchid POS Spark**, a simplified, cloud-based POS, eCommerce, FFL Bound Book, and e4473 solution for startup and small retail FFLs, only \$99 per month.

## Exclusive Show Promotions & Giveaways

Attendees can enter to win up to \$10,000 in software credits, including waived implementation, migration, or training fees, complimentary hardware, and two years of select software subscriptions. Drop your business card at the booth to enter. Exclusive discounts vary by show. Details at [orchidadvisors.com/ffl-software-promotions](https://orchidadvisors.com/ffl-software-promotions)

- **Camfour Dealer Show** — Jan 10–11, Fort Worth (Booth #13)
- **NSSF SHOT Show** — Jan 19–25, Las Vegas (Booth #72939)
- **2026 NBS Spring Market** — Feb 10–13, Oklahoma City (Booth #11)
- **2026 Sports Inc Outdoor Show** — Feb 18–20, Phoenix (Booth #105)

## Technology & Services for All FFLs

- **Orchid eBound** — The industry's most trusted A&D Bound Book with over 10,000 users, featuring native 4473 digital storage, ATF Rapid Review monitoring, and robust ERP integration.
- **Orchid eState** — UPC/ZIP Code-driven API for state firearm and ammunition compliance at checkout, with eFFL geo-located dealer lookup and FFL/SOT on-file capability.
- **Compliance Services** — Licensing support, ATF inspection prep, mock inspections, and revocation defense from Orchid's regulatory experts.

## For Retail Gun Stores & Online Marketplaces

- **Orchid POS** — Single and multi-store point-of-sale with GunBroker, Guns.com, and GunStores.com integrations, QuickBooks/NetSuite accounting, and vendor catalogs.
- **Orchid eCommerce** — Native online sales platform replacing WooCommerce or Wix, with California AB-1263/SB-704 compliance controls, built-in website designer, live vendor inventory, and firearms drop shipping.
- **Orchid Pay** — Industry-low merchant processing through gun-friendly banks.
- **ERP & Accounting Integration** — BSP/NetSuite turnkey integration plus other ERP options.

## For Firearm Manufacturers & Distributors

- **ERP Integration** — A&D integration with BSP/NetSuite "American Firearms Edition," Epicor, Fishbowl, Infor/Sage, Microsoft, Odoo, SAP, Oracle, and others.

- **Orchid eSerial** — Laser marking for serial/bound book management, compatible with LMT (see them at SHOT), Trumpf, Rofin, Jimani, Telesis, Beamer, Lasit, HAAS, Okuma, and others.

### **About Orchid Advisors**

For almost 15 years, Orchid has defined firearm compliance excellence as "The Original ATF Compliance & FFL Software Experts." Trusted by the largest names in shooting sports, Orchid protects thousands of FFLs with software that powers nearly 25 million transactions per year, with more than 60% of all U.S.-manufactured firearms flowing through its flagship Orchid eBound platform, with the most mainstream ERP integrations. The company is the only provider offering a fully integrated suite of FFL Bound Book, electronic 4473, 4473 electronic storage, POS, eCommerce, 2A payment processing, and in-house compliance services—backed by Orchid's 100% Attorney Compliance Guarantee (terms apply). Together with its legal affiliate, FFL Law, Orchid delivers the industry's most complete ecosystem of software, payments, and regulatory expertise, helping clients run efficient, profitable, and ATF-compliant operations.
