DIGITAL MEDIA Academy®
WHAT WILL YOU CREATE?

WORLD'S BEST TECH CAMP*

No Matter What You Love... Create it at DMA

GAME DESIGN & DEVELOPMENT
Learn professional techniques & tools used by industry pros to make hit video games.

FILMMAKING & VISUAL EFFECTS
Discover how Hollywood makes blockbuster movies, from pre- to post-production.

MUSIC & AUDIO PRODUCTION
Discover how the pros create, edit and produce beats, sounds and songs.

3D MODELING & ANIMATION
Go behind the scenes and learn how your favorite animated films & TV shows are made.
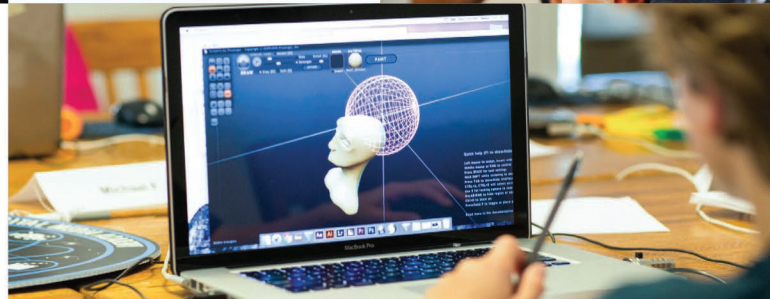

DIGITAL PHOTOGRAPHY, ART & DESIGN
Learn professional shooting & Photoshop® techniques from instructors with extensive photography & photo-editing expertise.

MADE BY GIRLS
Technology camps for girls that build confidence and develop critical-thinking skills through hands-on learning.

PROGRAMMING & APP DEVELOPMENT
Unlock your potential with the power of code! Learn C++, Java™, Python™ and more.

ROBOTICS & ENGINEERING
Hands-on robotics programming and engineering experience, using LEGO® EV3 and Arduino™ systems.

DMA'S INNOVATIVE APPROACH

#1 TECH CAMP
STEM learning in an energetic and creative environment

PROJECT-BASED
Hands-on, project-based instruction from industry experts

DMA ONLINE
Year-round online learning at your own pace

I will create the next _____.
